

## Start South High School Authorization Form

For students taking courses as dual enrollment students through the University of South Alabama

Student Name: \_\_\_\_\_

Date of Birth: \_\_\_\_\_

Student GPA: \_\_\_\_\_/\_\_\_\_\_

Expected Graduation Date: \_\_\_\_\_

High School: \_\_\_\_\_

To qualify for the Start South program as a dual enrollment student:

- The student must have a 3.0/4.0 or higher GPA
- The student must be a sophomore, junior, or senior
- The student must have the approval of the school administration

Students accepted into the program become college students upon enrollment in classes at the University, thereby coming under the governing policies for undergraduates. **Note:** Start South students are asked to sign a waiver to allow communication of academic progress with school officials and parents on the application for admission.

Start South students are entitled to the use of the USA library and student support services.

Start South students are eligible to take approved 100 and 200 level courses as long as they meet the prerequisites for the courses, if applicable.

Start South students must maintain a “C” average or better in attempted coursework and a “B” average in high school.

The completion of this form by the participating high school administration and corresponding signature will serve to inform the University of South Alabama that the applicant meets the above qualifications for participation in the Start South dual enrollment program.
